

# I'm Gonna Die

Words and Music by Glenn Simonelli

Creepy caterpillar crawling in the tree  
Slimy little demon has it is for me  
Chomping on the leaves in the petunia bed  
Falling from a tree it lands upon my head

I'm screaming: "Aagh, I'm gonna die!"  
I'm screaming: "Aagh, I'm gonna die!"

Putting up the shelves along the basement wall  
Framing them with 2x4s so they won't fall  
Sawing, nailing, drilling, screwing, almost done  
Stupid nasty splinter nails me in the thumb

I'm screaming: "Aagh, I'm gonna die!"  
I'm screaming: "Aagh, I'm gonna die!"  
I'm screaming: "Aagh, I'm gonna die!"

Driving home from Walmart with a new tv  
NFL begins this afternoon at 3  
Time enough with luck to catch the pre-game show  
Come up to semi driving way too slow

We're screaming: "Aagh, we're gonna die!"  
I'm screaming: "Aagh, I'm gonna die!"  
I'm screaming: "Aagh, I'm gonna die!"

Working on a smoke alarm that won't shut up  
Cover off the hardware in a dixie cup  
Batteries replaced, I blow out all the dirt  
Screw it to the ceiling it begins to chirp

I'm screaming: "Aagh, I'm gonna die!"  
I'm screaming: "Smoke alarm, you're gonna die!"  
I'm screaming: "Aagh, you're gonna die!"
